

ACID #6

A highly deterrentive acid cleaner.

Available Sizes

- 1 gallon (26-AC6-FS01)
- 5 gallon (26-AC6-FS05)
- 15 gallon (26-AC6-FS15)
- 30 gallon (26-AC6-FS30)
- 55 gallon (26-AC6-FS55)

Key Features

- Low-foaming action quickly penetrates dried beer and hard to remove scale.
- A highly deterrentive acid cleaner designed to be used in CO2 environments.
- When used in CO2 environments, alkaline/caustic step can be eliminated because of added detergents.

Applications

Safety Precautions

- Causes severe skin burns and eye damage
- Do not breathe fume, mist, or spray.
- Wear protective gloves and eye protection
- Wash hands and forearms thoroughly after handling
- Store locked up.
- Dispose of contents/container in accordance with local regulations.
